### The Accommodation Package (7 nights) : \$ 1,120

- Rest assured, we'll arrange the best for you. Accommodation at the **5-star Rixos Downtown** Antalya is included in your package, with **all-inclusive double rooms** at \$160 per night.
- We've carefully chosen this hotel not only for its comfort and beautiful Mediterranean views, but also because your physical therapy sessions after discharge will take place right inside the hotel – making your recovery more convenient and stress-free.
- For a hotel of this quality, it offers exceptional value. You can view the hotel here: <https://www.rixos.com/en/hotel-resort/rixos-downtown-antalya-land-legends-access>. If you prefer a different hotel, we'll gladly assist.
- All necessary transfers between the airport, hospital and hotel during your treatment are included in your package.

### Round-Trip Fixed Price Flight from USA-Turkey : \$ 1,100

We've secured a fixed round-trip price with Turkish Airlines for all direct flights from the USA to Turkey. No matter which U.S. city you're flying from – as long as it's a direct flight – you'll pay the same special fare. This helps you plan your travel with confidence and avoid last-minute price increases.

#### Payment & Reservation Terms

This package is valid for six (6) months and will expire if the prepayment is not completed within 30 days. To confirm your reservation, a 25% prepayment must be made via Better by MTA, powered by our exclusive Mastercard partnership. The remaining 75% balance must also be paid securely through the same platform before your treatment begins.

With Mastercard's trusted global payment infrastructure, your transactions are fully secure—ensuring transparency, protection against unauthorized charges, and a seamless payment experience.

Better by MTA offers access to 45+ secure payment options, including:

- ✓ Visa, Mastercard, Amex
- ✓ Apple Pay, Google Pay, Samsung Pay
- ✓ Bank transfers and other digital payment methods

In the event of a cancellation for reasons other than force majeure, the 25% prepayment is non-refundable, as it covers reservation and administrative costs. However, in the case of documented medical emergencies, rescheduling may be considered on a case-by-case basis.
